## Time to Read!

Let's introduce a person

My best friend is called Amy and she is 13 years old. She has long curly hair, blue eyes, and wears glasses. She is tall and slim, really pretty.

Amy is a happy person, always smiling and laughing. She is friendly, good at talking to people, trustworthy, and outgoing. She loves meeting new people and isn't shy at all! She is very sporty, plays basketball in the school team, and often plays with friends on weekends. Her favourite clothes are jeans, T-shirts, or skirts. She never wears dresses and usually wears trainers but sometimes boots in winter.

Amy is my best friend because she is kind and reliable. If I need help with homework or have a problem, she is always the first to help. She is patient, explains things well, hard-working, and funny. We share the same music taste and go to concerts together. Last weekend we saw our favorite band, met the singers, and got their autographs. It was fantastic!

Amy is the most important person in my life. I love her and feel lucky to have such a great friend!

### Time to Read!

I am from a small village in the north of France. The village is called Saint-Pierre and it has about 500 people living there. It's a very quiet place with one shop, a bakery, and a church. There isn't a cinema or a theatre but there are lots of beautiful fields and forests around the village so I love going for walks with my dog.

The weather is usually quite cold in winter and hot in summer but sometimes it rains a lot. I like the weather here because I like wearing warm clothes and I don't really like hot weather.

I have lived in Saint-Pierre all my life. I live with my parents and my older brother. My grandparents also live in the village so we see them a lot. I go to school in a nearby town called Le Mans. It's a big town and it has lots of shops and things to do. It doesn't have as many green spaces as Saint-Pierre, though, so I prefer living in the village. In the future, I want to travel and see new places but I think I will always want to come back to Saint-Pierre.

### Let's Dive into a Dialogue!

**Lucas** Hi, Pauline! Is everything okay with your assignment?

**Pauline** Yes, I think so. But the teacher said we need to include more about our home town.

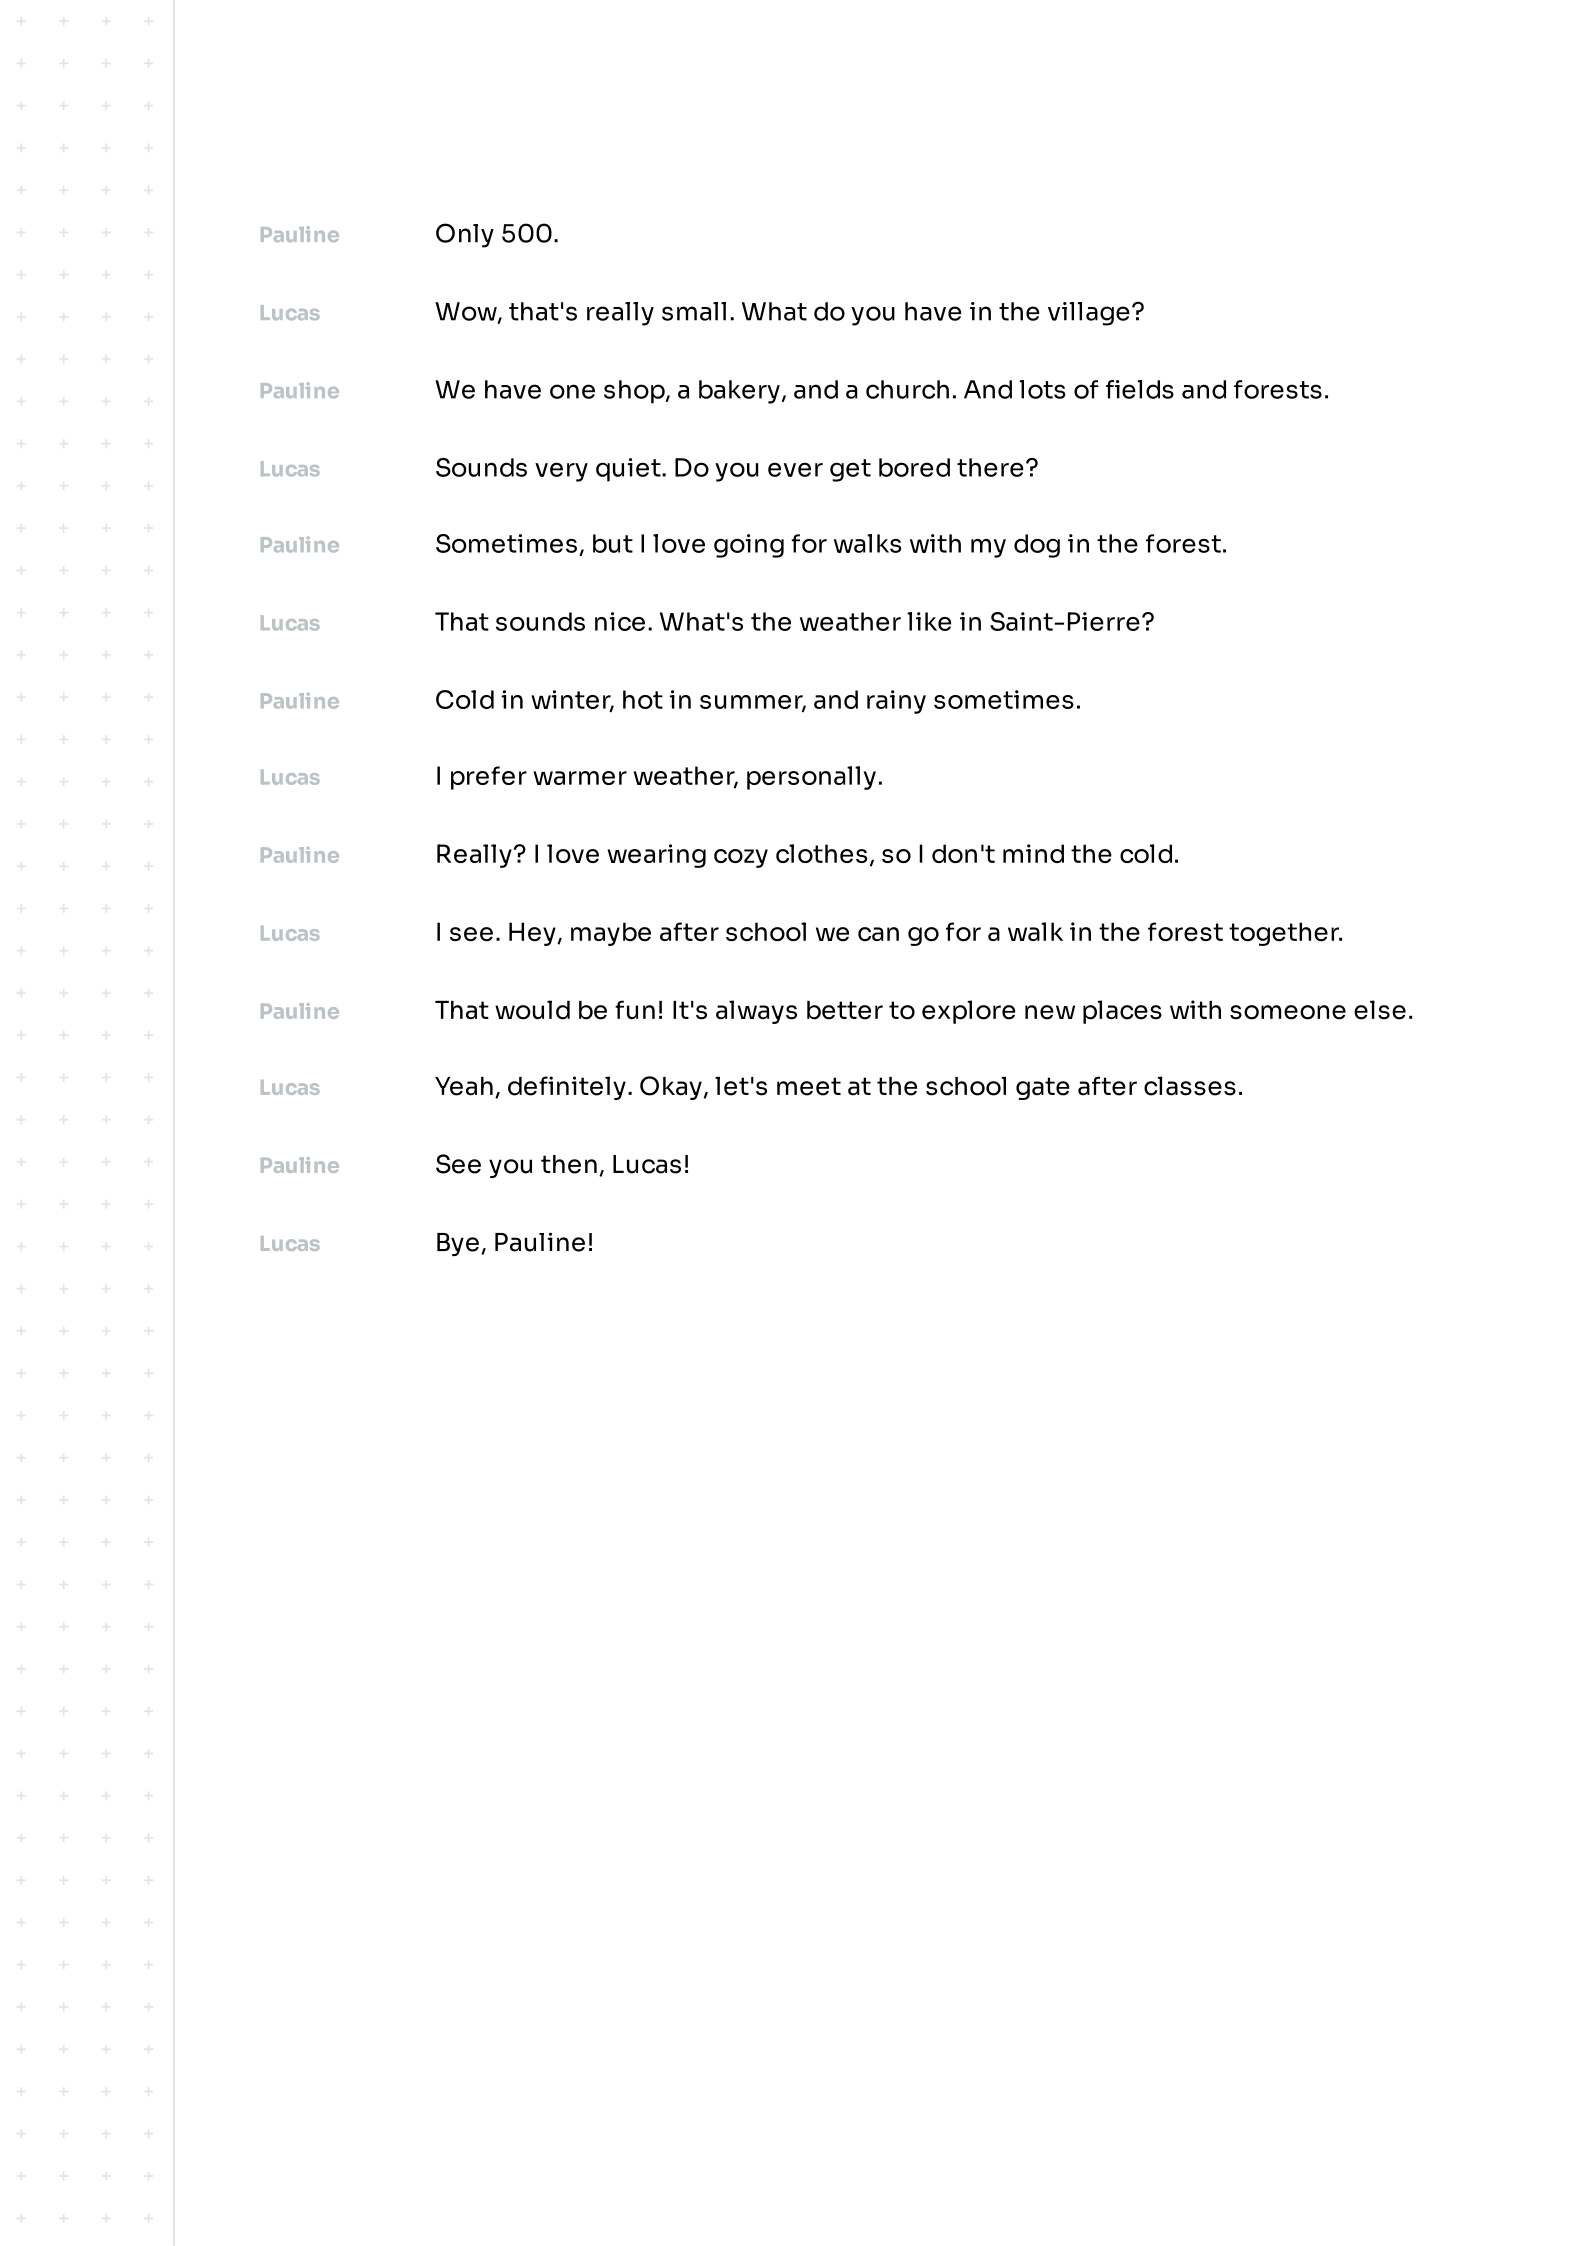

**Lucas** Oh, then you should talk about Saint-Pierre!

**Pauline** You know my hometown?

**Lucas** No, but I read your essay and it sounds like a lovely place.

**Pauline** It is. The village is very small and peaceful.

**Lucas** How many people live there?

**Pauline** Only 500.

**Lucas** Wow, that's really small. What do you have in the village?

**Pauline** We have one shop, a bakery, and a church. And lots of fields and forests.

**Lucas** Sounds very quiet. Do you ever get bored there?

**Pauline** Sometimes, but I love going for walks with my dog in the forest.

**Lucas** That sounds nice. What's the weather like in Saint-Pierre?

**Pauline** Cold in winter, hot in summer, and rainy sometimes.

**Lucas** I prefer warmer weather, personally.

**Pauline** Really? I love wearing cozy clothes, so I don't mind the cold.

**Lucas** I see. Hey, maybe after school we can go for a walk in the forest together.

**Pauline** That would be fun! It's always better to explore new places with someone else.

**Lucas** Yeah, definitely. Okay, let's meet at the school gate after classes.

**Pauline** See you then, Lucas!

**Lucas** Bye, Pauline!
